

St Clare's Catholic Primary School

Newsletter 22/04/2022

Dear Parents/Carers,

This week we had the pleasure of welcoming our wonderful pupils back to school rested and taller!

This week families enjoyed Easter Bingo which was organised by the PTA- it was a great success with pupils having lots of fun. I would like to thank all the parent who worked hard behind the scenes to ensure that this event ran smoothly.

On Thursday our year three pupils went swimming with school for the first time. Although they were a little anxious beforehand, they returned to school with big smiles and reported on how much they had enjoyed the experience.

Our girls' football team participated in a tournament at Chester Catholic High School. They played two matches, winning one. They had a great time.

Pupils in Reception and Year One enjoyed forest school this week. The children explored nature in the great outdoors. Our youngest pupils have received caterpillars which they are looking after as they grow into butterflies. Over the next few weeks they are going to make some careful observations.

We have a busy term ahead. Please keep up to date by accessing the school diary on the back of this fortnightly newsletter.

Have a lovely weekend,

Congratulations.....

Mrs Kelly Murphy, who teaches pupils in Europe, is expecting a baby. We send her our warm congratulations. She will be with St Clare's until the end of this academic year before she starts her maternity leave.

We are currently recruiting a new member of the teaching staff to St Clare's

After School Clubs

All after school club places have been allocated to children that have requested them and emails have been sent out to confirm these places.

We have tried to be as fair as possible, if your child has chosen more than 2 clubs, they may not have a place in them all.

It is important that your child attends each week. You will be charged for non attendance (not through absence). If your child no longer wants to attend their club, please inform the school office or you will be charged for the term.

Attendance

Congratulations to all pupils who have excellent attendance. Every second counts. We appreciate there are occasions , especially at the moment, when pupils have got to stay at home, however we continue to closely track and monitor attendance.
