

St Clare's Catholic Primary School

Newsletter 22/01/2021

Dear Parents/Carers,

Although we are not together physically as a school, we are certainly together through so many different strategies! The vast majority of our children are signing into registration each morning and this is providing pupils with an opportunity to see their teachers and friends. It also helps everyone to have a routine which is healthy.

Each day between 11am and 12pm pupils can go into their google classroom live and speak with teachers about their work. All lessons are recorded by teachers which means that families can watch at a time that suits them and can always repeat any parts they want to listen to again. Pupils are sharing work completed daily through their google classroom. This week I managed to pop into classes to see what everyone was doing and I was delighted! I think I was so pleased, that I spent a long time smiling! I saw some amazing writing, fantastic maths skills and I could see how much fun children are having with their learning! I saw Olivia R and Matilda's amazing retells of the story of the ten lepers using her teddies and toys! Harry W and Matilda shared their dance routines from our feel good Friday challenge last week which made teachers smile, whilst Olivia and Hannah made musical notes using different amounts of water in glasses and then created a tune! I have also enjoyed hearing about children going on family walks and playing in the snow!

We have remained in constant contact with parents/carers to let everyone know that we are here to help along with supporting our key worker children groups. You are doing a great job!

PS Ryder

Tracey Close

I am delighted to announce that Tracey, who ensures St Clare's is clean and tidy has been awarded a 'Gold Award' for going over and above to help out. We are delighted for Tracey and know that this award is well deserved. Thank you for everything you do for our school Tracey- Congratulations!

St Clare's Visit Chester Zoo!

Next Wednesday 27th January you are invited to join us for a virtual tour of Chester Zoo during the afternoon. We are visiting three exhibits:

1. Mischievous Meercats.
2. Giant Sized Giraffes
3. Perky Penguin Chicks.

Birthdays

This week Leighton, Paisley, Otis and Nancy celebrated their birthdays. We hope they had a wonderful day.

The links for these will be shared with families through Google Classrooms. We are looking forward to hearing all about your experience. Maybe siblings can organise a picnic to enjoy whilst watching the presentations. Send photos of your trip!

Reasons to Celebrate!

Eating food
Hiding in the bins
Razor sharp teeth
Mischievous
Athletic
Ignored
Cheeky
Naughty
Mysterious
Friendly
Silly
Joyful
Graceful wing's
Chasing butterflies
Long Spiky tail
Sharp claw's
Perching on telephone wires
Playing with the cat
