Newsletter 05.03.2021

Dear Parents/Carers,

We would just like to say a massive 'thank you' to all of you for your relentless efforts in helping and supporting your children through what has been a very challenging period of time. How you have managed to continue with your own occupations, whilst home schooling, is baffling! Thank you for engaging with our Google Classrooms and for persevering to ensure children could engage with their lessons. We are delighted to be welcoming pupils back on Monday and are working hard to ensure all our systems are in place to promote safety around school.

Have a rested weekend,

M. Ryder

Dear Pupils,

Your school has been very quiet without you all! We have missed you all and we are looking forward to meeting up with you all again in person on Monday. We hope you have received your invitations! Make sure you find time to get prepared for returning to school so that you are organised for Monday. You will need to bring all your books back into school.

Have a super weekend, Mrs Ryder
