

St Clare's Sports Premium 2021-2022

In 2021/2022, St Clare's received £17,580 as part of the Government's PE and Sports Grant.

The following statement is from the DfE for the conditions of grant.

Purpose of the premium: 'The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupil..... to encourage the development of healthy, active lifestyles.'

The purpose of this funding is to improve provision of sport and PE.

Since receiving the grant, St Clare's have:

- achieved the Gold Sports Mark for the last three years and plan to embed the good practises which helped to secure this accreditation
- audited and replenished PE resources so there are enough available to deliver high quality lessons
- employed a sports coach to evaluate, action plan and improve the quality of teaching in lessons and provide extra-curricular clubs including programmes to encourage those who are less-active to become more confident with exercise
- provided a wider range of clubs available within the school
- increased the percentage of attendance at after school clubs
- identified pupils who don't participate in many energetic activities and encouraged them so that they have more opportunity to take part in clubs e.g. our Healthy Hearts Lunchtime club
- trained and implemented sports crews - sports ambassadors and play leaders are active, well trained and eager
- increased the percentage of pupils who are active at break and lunch times due to play leaders and resources available
- increased participation, funding transport so pupils can attend extra events including being able to take B teams to events too

2021/2022 Planned Spend	Impact
<ul style="list-style-type: none"> • Continue to hire a Sports Coach to lead and organise active break times and lunch times. £3,800 • After school clubs each day £3,600 • PE lessons across the school taught by a Sports Coach £7,200 • Increase the level of fitness and stamina of pupils- identified as a need after school closure during the summer term • Training for Playleaders • Membership for Chester SSP £1,200 • To maintain Gold Mark status • Audit and ordering of sports equipment to enhance provision within PE sessions • Swimming lessons with transport for all Key Stage 2 classes for a weekly one hour lesson £5,975 	<ul style="list-style-type: none"> • Support healthy, active break times in school. Encourage children to practise PE skills in break time. • The school is able to provide a wide range of extra-curricular activities. • The PE curriculum is further enhanced and developed through having a specialist PE coach supporting the teaching. • Staff skills are developed through working with a sports coach. • Pupils are motivated through working with a sports coach. • Pupils are signposted to sports clubs in their local area. • Pupils have the opportunity to lead play activities and hold an area of responsibility. • Through membership of Chester SSP, St Clare's has access to a wide range of sporting opportunities. • St Clare's has received the Gold Schools Active Award for the last four years. • The majority of children can swim at least 25m by the time they leave St Clare's.

Our Year 6 (2021-2022) could...	% of Pupils
Swim a distance of at least 25m	100%
Swim competently, confidently and proficiently over the distance of at least 25m	80%
Use a range of strokes effectively	80%
Perform safe self-rescue in different water based situations	80%

--	--

Our plan to ensure this progress will be sustained.

- Teachers have benefited from the CPD and working alongside Sports Coaches
- Networks through the SSP have been developed
- Continued use of external Sports Coaches
- Teachers are more confident in running extra-curricular sports clubs and events
- Sports are more high profile within the school with children delivering reports from events they have participated in with all success celebrated
