## Christmas Activities 10/12/2020

We appreciate that this is a very busy time of year and despite restrictions, we have endeavoured to ensure pupils have a great end of term. Below we have included the events timetable with a separate column for what children need each day. We hope this helps with organisation! The staff in school have worked hard to record Christmas Nativities and Carol Services which will be shared with families on the days identified below. For our younger pupils, the recordings were timetabled so that costumes were cleaned and quarantine between recordings. Next week PE kits will not be required.
